Health and Safety

The key points for health and safety are to

- **Identify** all significant hazards on your orchard
- If you can, **eliminate** the hazards
- If you can't eliminate the hazards, **isolate** them (cage or fence them off)
- if you can't isolate hazards, **minimize** them (protective equipment, signs etc)
- **Monitor** hazards regularly
- Record significant hazards, controls and monitoring in the **hazard register**
